

BEFORE REGISTERING WITH THE TOLLAND FOOTBALL CLUB IN 2017

Six things you must know about our club:

1. Like all other FWW Associated Clubs there is **no ambulance cover** in your registration fees. All association players are responsible for their own ambulance cover. Ambulance transport can be extremely expensive please ensure you are covered!
2. You cannot play for the Tolland Football Club unless you have paid your full registration fees or you are up to date with any payment agreement negotiated with the club president.
3. Racism, bullying, discrimination and any form of harassment have a zero tolerance in our club and appropriate club fines, suspensions or possible deregistration will be implemented if our racism/anti-bullying and harassment policy are breached.
4. All coaches and players must be aware of the consequences of the Association FNSW and FIFA child protection policies. Players, officials or supporters under the age of eighteen years (18 years) cannot receive any form of physical, sexual or verbal abuse from Tolland Football Club registered players or officials. Again the stated policy consequences for breaches of the child protection policies will be implemented.
5. Registered Tolland Players cannot bring the game, the Association (FWW) or our Club into disrepute. These policies are easily found on the Association and Tolland Club websites please be aware of them particularly comments you may make on various **social media formats**.
6. The insurance cover included in your registration fees is very basic particularly in regard to reimbursement of medical expenses. The Club strongly recommends that you have your own medical insurance in case of injury. Please be aware that if you register as a full time student full time and part time work cover is extremely difficult to claim. Full time workers should always pay the all aged men/women registration fees.

NB: Racism, bullying and Child protection definitions/issues are well known to nearly all of us. If you aren't sure check our policies on the website the following definitions you must be aware of:

What is "Disrepute?" Disrepute means any conduct, statement or appearance in public that is damaging to reputation.

What is "Harassment?" Harassment is any unwelcome conduct, verbal or physical, that intimidates, offends or humiliates another person and which happens because a person has a certain personal characteristic protected by State, Territory or Federal anti-discrimination laws.

What is Discrimination? Basically Discrimination means treating or proposing to treat someone less favourably than another person in the same or similar circumstances because of one of the personal characteristics covered by anti-discrimination laws.

Behave and act sensibly when representing the club and avoid unnecessary fines or suspensions.
